Fatih Akin - Director

Auf der anderen Seite, winner of the first LUX Prize in 2007

"The LUX Prize is the most innovative award for European cinema. The sponsored subtitles enabling the laureate to present his film all around Europe is a great idea, and the election process draws attention to foreign productions from 'babylonic' Europe which otherwise would have remained unknown. Hopefully the European Parliament will continue to promote our diverse and rich cinematographic culture through the LUX Prize».
